Fastest way to get online:

Buy a Virgin Broadband modem for \$150 from an Optus shop. (It includes 300MB to get you started.)

Then, call me to help you order your Exetel account. (Delivery takes approx. 5 days.)

Want to try before you buy?

Call Mike on 6775 0239 to join the trial queue.

Uses Optus mobile network – check coverage at <http://www2.optus.com.au/> - if you have bad or no coverage then consider an antenna listed above.

Recommended Alternatives:

Virgin Broadband is a close second in value.

Optus Prepaid broadband is a third choice.
